

NHARC Minutes of the July 25, 2014 Meeting

The July meeting of the Northern Hills Amateur Radio Club was called to order by President Carol Katz, KCØZDA with 5 members and guests present at 19:35 at the Lead Fire Hall. Those present were KGØGG, KCØZDA, KCOFNE, N0YOL and KD0NJK.

The May meeting minutes were read and were approved. The Treasurer's Report and fund drive status was read and approved.

Carol, KCØZDA gave a report on the Tri-State Emergency Weather Net, she reported they are getting approximately 300 check-in's per month.

The Wyoming MS-150 group is going to run their event without Ham support, they are renting radios again this year, we wish them luck and we hope it works well for them. The list of Public Service events was discussed.

Bob, N0YOL is working with the Pennington County Emergency Management and would like to have an ARES® meeting in Pennington County. The Pennington County EM was able to pass his Tech and General Amateur Class test in Hot Springs.

We are still organizing another planning meeting at Hermosa, we will work on setting it up. We will be working with East River when they do the MT-63 test on the Statelink later this fall and probably during SET.

We will be promoting the [Skywarn Recognition Day](#) in hopes of getting more interest in attending this event at the NWS.

Carol, KCØZDA will be checking with the NWS on a possible format for taking weather information.

We are going to try and access each EOC for the Weather Net when we can.

The meeting next month will be held at the Lead VFD on June 27th, 2014.

The Tim Anderson, K0OR estate auction will be held in Hot Springs on August 2nd, 9 am to 5 pm.

There being no further business the meeting was adjourned at 20:17 Hrs.

Signed Jerry Hawley, KGØGG,
NHARC Secretary
