

NHARC Minutes of the May 24, 2013 Meeting

The May meeting of the Northern Hills Amateur Radio Club was called to order by President Bruce Conlee, KØNLE with nine members and guests present at 19:30 at the Lead Fire Hall. Those present were KCØZDA, KDØNJK, WØKTL, KØNLE, KD6TR, N7MOG, KCØFNE, NØMHJ and KGØGG.

The April meeting minutes were approved. The Treasurer's Report was read and approved.

Public Service events were discussed, we now have a current list of events posted on the web page, Gene, NØMHJ recruited for assistance with the Big Mick. ARES reports were discussed. The next ARES® meeting is scheduled for June 9th at Hermosa. KCØZDA gave a short report on the Tri-state Emergency Weather Net, **more assistance is needed for Net Control Stations.**

The Corner reflector is still available from KØNLE for the Bear MT repeater site, when weather permits we will go down and install it.

A short discussion was held on the time out timers on the Black Hills Linked Repeater System, there has been little if any problems recently.

The **Open House for the Lead Fire Department** will be on June 1st, food will be served from around noon until 3 pm. Assistance is requested from the NHARC members. The Emergency preparedness fair is also June 1st at Spearfish Walmart.

Mike, KCØFNE is working on building an RF detector to operate his **On Air** sign. He is having problems, it is not as sensitive as he had hoped, was needing some ideas on what to do.

Club dues are due again in September, many members are past due, also your ARRL dues can be paid through the club and the club gets to keep some of the amount.

No presentations were available.

Meeting adjourned at 20:15 Hrs.

Jerry Hawley, KGØGG, NHARC Secretary
