

NHARC Minutes of the May 23, 2014 Meeting

The May meeting of the Northern Hills Amateur Radio Club was called to order by President Carol Katz, KCØZDA with 5 members and guests present at 19:30 at the Sturgis Fire Hall. Those present were KGØGG, KCØZDA, NØMHJ, KCØFNE, and N7MOG.

The April meeting minutes were read and were approved. The Treasurer's Report and fund drive status was read and approved.

We are still working on the Public Service Event schedule, once we get the dates confirmed Jerry will update the Web Page. Mike, KCØFNE stated that he would bring his trailer for the Wyoming MS ride at Sundance.

Gene, NØMHJ talked about having another planning meeting at Hermosa, he will work on setting it up. We will be working with East River when they do the MT-63 test on the Statelink later this fall and probably during SET.

We will be promoting the [Skywarn Recognition Day](#) in hopes of getting more interest in attending this event at the NWS.

Gene, NØMHJ discussed what we might want to do for SET, probably reuse the Blizzard from last year and try to use both voice and digital on both VHF and HF. This will be discussed further at a later ARES® meeting in Hermosa.

Carol, KCØZDA gave a report on the Tri-State Emergency Weather Net, she reported they are getting approximately 300 check-in's per month. She will be checking with the NWS on a possible format for taking weather information.

We are going to try and access each EOC for the Weather Net when we can.

The meeting next month will be held at the Lead VFD on June 27th, 2014.

Mike, KCØFNE gave a show and tell on his "On Air" Callsign boards.

Meeting adjourned at 20:30 Hrs.
Jerry Hawley, KGØGG, NHARC Secretary
